

Loretta Lynn, Be Proud Of Your Man

(L.E. White - B.J. White)

Woman he love you can't you see so help him and love him all you can
And if you love him then love him for what he is not for what he should be
Woman be proud of your man
Walk with him not on him talk to him not about him
Help him don't hurt him be proud of your man
Laugh with him not at him look at him not through him
Face him don't disgrace him be proud of your man
[steel]
Pull with him not against him see some good in the bad in him
Be asure him don't destroy him be proud of your man
Be behind him not above him hold him don't control him
Help him don't hurt him be proud of your man woman be proud of your man
