

Loretta Lynn, Fist City

(Loretta Lynn)

You've been makin' your brags around town that you've been a lovin' with my man
But the man I love when he picks up trash he puts it in a garbage can
And that's what you look like to me and what I see is a pitty
You'd better close your face and stay out of my way
If you don't wanta go to Fist City
If you don't wanna go to Fist City you'd better detour round my town
Cause I'll grab you by the hair of the head and I'll lift you off of the ground
I'm not a sayin' my baby is a saint cause he ain't
And that he won't cat around with a kitty
I'm here to tell you gal to lay off of my man if you don't wanna go to Fist City
[steel]
Come on and tell me what you told my friends if you think you're brave enough
And I'll show you what a real woman is since you think you're hot stuff
You'll bite off more than you can chew if you get too cute or witty
You better move your feet if you don't wanna eat a meal that's called Fist City
If you don't wanna go to Fist City...
I'm here to tell you gal to lay off of my man if you don't wanna go to Fist City
