

# Loretta Lynn, He's All I Got

(Gary Bonds - Jerry Williams)

Well I said friend don't take him he's all I got  
Please don't take his love away from me  
I'm a beggin' you friend don't take him he's all I got  
He's everything in life I'll ever need

He is life when I wanna live he's everything to me in life that life can give  
He's my water when I need to drink  
He's the first thought in my mind each time I try to think  
Let me tell you now friend...

He's my fingers when I wanna feel  
He's the only thing in life to me that's really real  
He is love all the love I know  
He can kiss the ground in the wintertime and make the flowers grow  
Let me tell you now friend...  
Hear me talkin' now now friend don't take him he's all I got  
I'm a beggin' you friend don't take him he's all I got
