

Loretta Lynn, I Can Help

(Billy Swan)

If you've got a problem I don't care what it is
If you need a hand I can assure you of this
I can help I've got two loving arms I can help
It would sure do me good to do you good I can help
It's a fact that people get lonely ain't nothing new
But a man like you baby should never have the blues
I can help I've got two for me I can help
It would sure do me good to do you good let me help
Oh when I go to sleep at night you're always a part of my dreams
Holdin' me tight and tellin' me everything I wanna hear
Oh don't forget me baby all you gotta do is call
You know that I love you you if I can do anything at all
Let me help if your child needs a mama I can help
Oh it would sure do me good to do you good let me help
[steel]
Oh when I go to sleep at night...
Oh it would sure do me good to do you good let me help
