## Loretta Lynn, I Started Loving You Again

(Merle Haggard - Bonnie Owens)

Today I started loving you again I'm right back where I've really always been I've got over you just long enough to let my heartaches mend Today I started loving you again.

What a fool I was to think I could get by With only these few million tears I've cried I should have known the worst was yet to come And cryin' time for me had just begun.

So today I started loving you again I'm right back where I've really always been I've got over you just long enough to let my heartaches mend Today I started loving you again.

Yes, today I started loving you again...
