

Loretta Lynn, I Won't Forget You

(Harlan Howard)

I know that I won't forget you for I've loved you too much for too long
Though you don't want me now I'll still love you till the breath in my body is gone
That's how it is with me and you'll always be the only love I ever knew
I'll forget many things in my lifetime but darling I won't forget you
[guitar]
That's how it is with me...
