

Loretta Lynn, It's Such A Pretty World Today

(Dale Noe)

It's such a pretty world today I look at the sunshine
And every day's the same since I met you
It's such a pretty world today knowin' that you're mine
And happiness is being close to you
And though the rain may fall my skies will all be blue
If I look close enough the sun would come shinin' through
It's such a pretty world today look at the sunshine
Today and every day since I met you
[guitar - steel]
Though the rain may fall...
Today and every day since I met you
