

Loretta Lynn, Just Get Up And Close The Door

(Linda Hargrove)

How can I be sure you're being honest with me can I take your love for truth
There comes a time in every woman's life when she needs a little proof
So show me something different something I ain't never seen before
This time instead of gettin' up and goin' home to her just get up and close the door
Just get up and close the door
And say you'll stay with me tonight say you won't regret the morning light
Then I'll believe the words of love you've said to me before
If you'll just get up and close the door
This time instead of gettin' up and goin' home to her just get up and close the door
