

Loretta Lynn, No One Will Ever Know

(Fred Rose - Mel Foree)

No one will ever know my heart is breaking although a million teardrops start to flow
I'll cry myself to sleep and wake up smiling I'll miss you but no one will ever know
I'll tell them we grown tired of each other and realize our dreams could never be
I'll even make believe I never loved you then no one will ever know the truth but me
[steel]

No one will ever know how much I'm pining
Each time the past comes back to haunt me so
No one will ever see the tears I'm hiding you've hurt me but no one will ever know
I'll tell them I've found true love with another
That I was glad the day you set me free
I'll even make believe I never loved you then no one will ever know the truth but me
