

# Loretta Lynn, One You Need

(Loretta Lynn)

I'm not sayin' you don't love me cause I know you do  
But I have said enough to know you play some too  
You tear me all to pieces then you asked me not to bleed  
I'm the woman that you want but I'm not the one you need  
The woman that you need is good for any ol' good time  
And the woman that you want you wouldn't want if she's that kind  
It hurts when you go sowin' wasted love from your wild seed  
I'm the woman that you want but I'm not the one you need  
[ guitar - steel ]  
The woman that you need...
