

Loretta Lynn, Rated X

(Loretta Lynn)

Well if you've been a married woman and things didn't seem to work out
Divorce is the key to bein' loose and free so you're gonna be talked about
Everybody knows that you've loved once so they think you'll love again
You can't have a male friend when you're a has been of a woman you're rated X
And if you're rated X you're some kind of goal every man might try to make
But I think it's wrong to judge every picture if a cheap camera makes a mistake
And when your best friend's husband says to you you've sure started lookin' good
You should've known he would and he would if he could and he will if you're rated X
[steel]

Well nobody knows where you're goin' but they sure know where you've been
All their thinkin' of is your experience of love their minds eat up with sin
The women all look at you like you're bad and the men all hope you are
But if you go too far you're gonna wear the scar of a woman rated X
And if you're rated X...
