

# Loretta Lynn, Sweet Thang

I slipped out of the house about sundown  
While mama was a washin' her hair  
And you can bet your bottom dollar she'll come lookin' for me  
When she finds that I'm not there.

And if she catches her sweet thang runnin' around  
I know there'll be the devil to pay  
She'll come blowin' like a cyclone right through that door  
And I can hear exactly what she'll say.

Well, has anybody here see sweet thang  
I got a notion he'll be headed this a way  
'Cause when my sweet thang is out tomocattin' around  
He finds a sandbox like this to play.

I wanna tell all you barroom roses  
If my sweet thang does have a bite  
You'd better take my advice and if you'll blink more than twice  
You'd better have somethin' in your eyes.

I gave my baby all my money on payday  
Except a little she don't know that I got  
'Cause there's a cute little waitress at the corner cafe  
And she seems to like me quite a lot.

While we were sittin' in the back booth a havin' a talk  
She believed in every word that I said  
When the door blew open, Loretta walked in  
Yellin' loud enough to wake the dead.

Well, has anybody here see sweet thang  
I got a notion he'll be headed this a way  
'Cause when my sweet thang is out tomocattin' around  
He finds a sandbox like this to play.

You'd better take my advice...
