

# Loretta Lynn, To Make A Man (Feel Like A Man)

(Loretta Lynn)

The man I've got loves cleaned home and he likes to wear the breaches  
He don't like doin' women things like washin' clothes and dishes  
You'll find he's not that hard to please if you love him right and fill his needs  
To make a man feel like a man you gotta show him you're a woman  
Show him what you are you know you can do it  
Don't let some other woman come along and beat you to it  
Lots of girls might catch his eye but what is a girl when a woman falls by  
To make a man feel like a man you gotta show him you're a woman  
[ guita + steel ]  
When he comes home from a hard day's work he's probably tired and dirty  
Don't let him find this latchy queen have your castle lookin' pretty  
There's lots of things that you shouldn't do like just as many that you should do too  
To make a man feel like a man you gotta show him you're a woman  
Show him what you are...  
To make a man feel like a man you gotta show him you're a woman
