

# Loretta Lynn, When Lonely Hits Your Heart

(Loretta Lynn)

Here I am a doing things I said I'd never do  
But that's before my baby said we're through  
It was on that tragic day the hurtin' got its start  
That's how it is when lonely hits your heart  
I've become a fallen girl for the love of a man  
The same old thing goes on and on it's more than I can stand  
To him it just don't matter but it's tearing me apart  
That's how it is when lonely hits your heart  
[ guitar - piano ]  
I spent my nights a crying while he was running round  
My heart was the first place lonely found  
I don't think I'll forget him I can't begin to start  
That's how it is when lonely hits your heart  
I've become a fallen girl...
