

# Loretta Lynn, Wound Time Can't Erase

(Bill D. Johnson)

Have you found since you turned me down the one that you've been searching for  
Are you glad that you made me sad for you know you vowed to love me ever more  
What did you have in mind when you broke this heart of mine

Are you laughing in my face

Tell me what can I do when you say that we are through

You've left a wound time can't erase

[ piano - guitar ]

Tell me dear are you satisfied to be foot loose and fancy free

Is it power you want for the things that you have done

What you've gained I guess I'll never see

What did you have in mind...
