Lorrie Morgan, Bombshell

Well, I finally worked my way up the ladder Got a whole lot of money but that don't matter 'Cause spring has sprung and we all know what that means

Yeah, bathing suit season's creepin' up like an assassin Can't help but wonder how I'm gonna fit my Ask me not what I'm gonna do It appears to be goin' downhill And that's hard on a bombshell

Yeah, it used to be fun layin' in the sun In that little bikini of mine But now my idea of letting it all hang out Sure has changed with time And that's hard on a bombshell

They say real beauty comes from within But I'm stuck with no lovers and a whole lot of friends Who say my personality is a perfect ten

I used to get up and just wash my face But now it's 75 bucks for a dermabrasion Oh, woe is me it's hard on a bombshell It's hard on a bombshell

I used to look cool perched up on a stool With all the boys flockin' around But now I'm a sucker for a honk from a trucker Lord, I've learned to love that sound And that's hard on a bombshell

Hard on a bombshell Oooh, it's hard on a bombshell
