

Lorrie Morgan, Don't Stop In My World

DON'T STOP ON MY WORLD

What are you doing here, you never wanted me before
Have you run out of fools or just looking for one more
Well my love is stronger than words of any song
So don't love me today, if tomorrow you'll be gone
Don't stop in my world if you don't mean to stay
Don't give me something, then take it away
To have you and to lose you, would be more than I could take
Don't stop in my world if you don't mean to stay

(musique)

I've watched you spread your wings, and fly too high so many times
Always just quite out of reach, but never quite out of my mind
If you just need me now, to get over a fall
Don't give me any love if you can't give it all
Don't stop in my world if you don't mean to stay
Don't give me something, then take it away
To have you and to lose you, would be more than I could take
Don't stop in my world if you don't mean to stay
Don't stop in my world if you don't mean to stay
