

Lorrie Morgan, Half Enough

I wish there was a big room somewhere
And they kept all the time in there
The time that got away somehow
And I wish there was a way I could get it back now
Starting right at the day
When you looked at me that way
The way you smiled when you said my name
I could see my life would never be the same

Chorus: And I knew nothing I could say or do
Would come close to thanking you for your love
And I could try for the rest of my life
But that wouldn't be half enough.

Through all the crazy years
I turned around and you were here
Sweeter than my wildest dreams
You showed me what true love means.

Repeat Chorus
