

# Lorrie Morgan, I'll Take The Memories

There's a van out in the drive  
It's time to divide everything up  
We've taken down the bed  
Where so many nights we made love  
We've gone through everything  
And given back the rings we once cherished  
You can take the things you want  
And leave the things you don't  
But as for me

I'll take the memories  
You can have the rest  
I know we've had some bad times  
But our good times were the best  
There's so many keepsakes  
After all that we've been through  
But I'll take the memories  
If I can't have you

I don't know just what I'll do  
I've been so used to loving you  
For such a long time  
And even though I've tried  
There's no way that I can get you off my mind  
So while we're packing up our lives  
And saying our goodbyes  
I wanna tell you  
You can take the things you want  
And leave the things you don't  
But as for me

I'll take the memories  
You can have the rest  
I know we've had some bad times  
But our good times were the best  
There's so many keepsakes  
After all that we've been through  
But I'll take the memories  
If I can't have you
