

Lorrie Morgan, Soldier Of Love

I am only one of those who care
Who cares about the fate of love
I know there's many others just like me
I know they to have had enough

Of those hearts doing battle on the front line
Loves got no heroes in these modern times
What love needs a defender
Whoa oh oh oh I am the soldier of love
Whoa oh oh oh I am the soldier of love

I see it in your eyes
You felt the heat
There was time when you believed
Love is the only way to make it through
Or be another causality

Of those hearts doing battle on the front line
Loves got no heroes in these modern times
What love needs a defender
Whoa oh oh oh I am the soldier of love
Whoa oh oh oh I am the soldier of love

I am the soldier of love
