

Lorrie Morgan, We Both Walk

Here you are on the porch again
With your hat in hand and a guilty grin
Baby I ain't gonna fall for that
Just because I always have
And I'm not the only one who won't be taken in.

(Chorus): Don't you try to come through my door
I can't watch you leave me anymore
When you go we both walk
When you go we both walk
You walk away
I walk the floor.

Whenever you get that itch to go
You think I just sit and wait at home
But I've walked miles behind these walls
Without getting anywhere at all
And I think I've had enough of going down that road.

Repeat Chorus
