

# Los Lobos, Charmed

(David Hidalgo/Louie Perez)

My mouth is dry  
My head is hot  
Somebody tell me just what is this thing I've got

Doctor Doctor  
Help me please  
This spell has got me dropped down to my knees

[Chorus:]

Talkin' 'bout charmed baby  
Talkin' 'bout charmed baby  
Talkin' 'bout charmed baby  
Talkin' 'bout charmed baby

Must be a potion  
Gotta be a pill  
Gotta be somethin' that can cure me of these chills

Doctor help me  
What do you say  
"There ain't nothin' that can make this go away"

[Chorus:]

Talkin' 'bout charmed baby  
Talkin' 'bout charmed baby  
Talkin' 'bout charmed baby  
Talkin' 'bout charmed baby
