

Los Lobos, Come On, Let's Go

Well, come on let's go, let's go, let's go, little darling
And tell me that you'll never leave me
Come on let's go and do it again

Well now swing me, swing me, all the way down there
Come on let's go little darling
Come on let's go again once more

Well, now I love you so and I'll never let you go
Come on Baby, so, oh, pretty baby I love you so

Well come on let's go, let's go, let's go, little darling
And tell me we'll always be together
Come on let's go again and do it again

Well, now I love you so and I'll never let you go
Come on Baby, so, oh, pretty baby I love you so

Well, let's go, let's go, let's go little sweetheart
And tell me we'll always dance together
Come on let's go and do it again
