

Los Lobos, Cumbia Raza (English Version)

(Cesar Rosas)

In this land there of our fathers
In this land of emerald seas
Is a sound that moves the heavens
And the earth beneath my feet

[Chorus:]

Cumbia, cumbia rica
Cumbia de mi patria
Cumbia cumbia, hermosa cumbia
Cumbia de mi raza

And when I sing this canto
Of a promise that is true
So believe me when I tell you
That this song is just for you

Baila baila mi carino
Come dance to the silver moon
Come dance this night together
'Cause the morning comes too soon

[Chorus 2x]

In this land there of our fathers
In this land of emerald seas
Is a sound that moves the heavens
And the earth beneath my feet

[Chorus 2x]
