

Los Lobos, Deep Dark Hole

(David Hidalgo/Louie Perez)

There's a deep dark hole and it leads to nowhere
There's a deep dark hole and it leads to nowhere
Better step aside, best take care
Keep an eye out and beware
There's a deep dark hole and it leads to nowhere

It'll spin you around and keep you down
Tie your feet right to the ground
'Cause it's got no soul, just a big black hole
It'll mix you up and leave you out cold

There's a deep dark hole and it leads to nowhere
There's a deep dark hole and it leads to nowhere
Better step aside, best take care
Keep an eye out and beware
There's a deep dark hole and it leads to nowhere

It'll spin you around and keep you down
Tie your feet right to the ground
'Cause it's got no soul, just a big black hole
It'll mix you up and leave you out cold

There's a deep dark hole and it leads to nowhere
There's a deep dark hole and it leads to nowhere
Better step aside, best take care
Keep an eye out and beware
There's a deep dark hole and it leads to nowhere
