

# Los Lobos, I Can't Understand

(Cesar Rosas/Willie Dixon)

I love you baby with all my might  
God knows I tried to treat you right  
I beg you baby, let me be your slave  
But please don't send me to an early grave

[Chorus:]

Well I can't understand, why did you let me go?  
Well I can't understand, why did you let me go?  
I done all I could, I can't do no more

There's nothing in this world I wouldn't do for you  
If you want my life you can have that too  
Please use my blood to make my grave  
Let the world know I died your happy slave

[Chorus]

I thought you loved me, I changed my life  
I wanted you to be my woman and wife  
Now bloodshot tears have blinded my eyes  
I'm too weak to live and too strong to die

[Chorus]
