

# Los Lobos, Luz De Mi Vida

(Cesar Rosas/Louie Perez)

Cuando you and me  
We were just chiquillos  
We would always run  
Through the tall nopal  
We would often say  
Say to each other  
There could be no fin  
Siempre los dos

Luz de mi vida  
Eres la voz de mi son  
You are forever  
Light of my corazon

It was en la mañana  
In our rincocito  
Was the time you played me  
Sang me your cancion  
Pues when I heard your voice  
Y tu melodia  
You so touched my heart  
And so moved my soul

Luz de mi vida  
Eres la voz de mi son  
You are forever  
Light of my corazon

I remember everything as you  
And in all the things that I do  
And en the calle y en el cuartel  
Me recuerdo de tu querer

Luz de mi vida  
Eres la voz de mi son

I remember everything as you  
And in all the things that I do  
And en the calle y en el cuartel  
Me recuerdo de tu querer
