

# Los Lonely Boys, Crazy Baby

Crazy, crazy, crazy baby  
That's what I am over you  
Crazy, crazy, crazy baby  
What am I gonna do

All of my life  
I'm wanting someone like you  
You're sweet to me  
And I'm so mean to you

You got me running around in circles  
I'm waiting for you to decide  
If you love me baby  
You'll realize

Crazy baby  
That's what I am  
And baby all of my life I've wanted someone like you

So crazy baby  
Be my wife and  
Take this feeling from my life

If you love me baby  
You'll realize
