

Los Lonely Boys, Hollywood

I'm calling up my Cheri
Tell her that I'm gonna leave
Cause I'm movin' on
to Hollywood you see
It's always been a life long dream
For my family
To see me
On that silver screen
And I know I can't go wrong....
Cause I finally found my song
And I'm headed where I belong...Hollywood
I know there's something in store for me
(But) nothing like the tragedies
That have seen me through
In real life you see
And I know I can't go wrong....
Cause I finally found my song
And I'm headed where I belong...Hollywood, Hollywood
I know that something's there for me...I'm flying free
Next time that you see me
I'll be done with misery
I'll be shinnin' bright
For all the world to see
Cause I know I can't go wrong....
Cause I finally found my song
I'm headed where I belong..Hollywood, Hollywood
Cause I know I can't go wrong....
Cause I finally found my song...
I'm headed where I belong...
Hollywood...Hollywood...Hollywood...Hollywood
