

Los Lonely Boys, More Than Love

We were in love before
But now it's so much more
Cause when I kiss your lips I can't explain
What I feel in my heart for you
I don't know what I'd do
Baby if I lost you
Cause I've been without you and I know how it feels
And I can't be alone anymore
I know its more than love
Baby I can feel it
When I'm close to you
I know its more than love baby do you
Maybe my words * don't * explain
Why I'm feeling this way

Maybe my words don't explain
Why I'm feeling this way
I don't know what I'd do
Baby if I lost you
Cause I've been without you and I know how it feels
And I can't be alone anymore
I know its more than love
Baby I can feel it
When I'm close to you
I know its more than love baby
I can feel it
When I'm close to you
I know it's more than love Baby do you
