

# Loser, The First time

This is the first time  
I can remember  
all of the days  
that I almost gave away  
Now I can say  
that I'm not afraid  
This is the last time I will cry  
This is a song I sing for me  
it's everything I want to be  
my salvation isn't free  
I have to get away  
From you, from you  
from you, from you  
This is the first time  
I can remember  
all of the days  
that I almost gave away  
Now I can say  
that I'm not afraid  
This is the last time I will cry  
A perfect world is not for me  
It's everything that I can't be  
my redemption sets me free  
I have to get away  
From you, from you  
from you, from you  
This is the first time  
I can remember  
all of the days  
that I almost gave away  
Now I can say  
that I'm not afraid  
This is the last time I will cry  
This is the first time  
in all of the days  
that I almost gave away  
Now I can say  
that I'm not afraid  
This is the last time I will cry  
This is the day  
I found a way  
to get away  
Now I can say  
I'm not afraid  
Today  
This is the first time  
I can remember  
all of the days  
that I almost gave away  
Now I can say  
that I'm not afraid  
This is the last time I will cry  
This is the first time that I'm not afraid  
This is the last time I will cry  
This is the first time that I'm not afraid  
This is the last time I will cry
