

Lost prophets, No Way Out

What do you wanna see?
What do you wanna feel?
What do you wanna become
When everyone just wants to kneel?
So do you really think so?
And would you really go?
So would you become a part of what you want, you want to know

Not the way you feel (no)
Not the way you see (no)
Nobody's ever real (no, no, no)
Don't you want to know? (no)
Don't you want to grow? (no)
That's the way it goes (no, no, no)

You want me to go
I want you to know
That it will never be OK to be
I want you to see
I want you to bleed
I want you to be everything you could be
In time I'll find my way out
Yes I know I'll find my way out now...

Is everything OK?
What did you wanna say?
What were all the things you couldn't tell me anyway?
So do you really think so?
And would you really go?
So would become a part of what you want, you want to know

Not the way you feel (no)
Not the way you see (no)
Nobody's ever real (no, no, no)
Don't you want to know? (no)
Don't you want to grow? (no)
That's the way it goes (no, no, no)

You want me to go
I want you to know
That it will never be OK to be
I want you to see
I want you to bleed
I want you to be everything you could be
In time I'll find my way out
Yes I know I'll find my way out now...

No, no, no, no, no, no, no, no
No, no, no, no, no, no, no, no
No (way out), no (way out), no (way out), no (way out), no (way out), no (way out), no (way out), no (way out)
No (way out), no (way out), no (way out), no (way out), no (way out), no (way out), no (way out), no (way out)

(Way out, way out, way out, no way out, no way out, no way out, no way out, no way out)

You want me to go
I want you to know
That it will never be OK to be
I want you to see
I want you to bleed
I want you to be everything you could be
In time I'll find my way out
Yes I know I'll find my way out
Yes in time I'll find my way out
Yes I know I'll find my way out

Yes in time I'll find my way out (I'll find my, I'll find my)
Yes I know I'll find my way out (I'll find my, I'll find my)
