

# Lostprophets, Scream Your Heart Out

When our time is up  
When our lives are done  
will we say we've had our fun  
will we make our mark, this time  
will we always say we tried

standing on the rooftops everybody scream your heart out  
standing on the rooftops everybody scream your heart out  
standing on the rooftops everybody scream your heart out  
this is all we got now everybody scream your heart out

all the loves I've met  
i have no regrets  
if it all lets now i'm set  
will we make our mark, this time  
will we always say we tried

standing on the rooftops everybody scream your heart out  
standing on the rooftops everybody scream your heart out  
standing on the rooftops everybody scream your heart out  
this is all we got now everybody scream your heart out

(Guitar Solo)

standing on the rooftops waiting till the bomb drops

this is all we got now scream until your heart stops  
never gonna regret watching every sunset  
listen to your heartbeat fallin on the rebound  
standing on the rooftops waiting till the bomb drops  
this is all we got now scream until your heart stops  
never gonna regret watching every sunset  
listen to your heartbeat fallin on the rebound

standing on the rooftops everybody scream your heart out  
standing on the rooftops everybody scream your heart out  
standing on the rooftops everybody scream your heart out  
this is all we got now everybody scream your heart out  
standing on the rooftops waiting till the bomb drops  
this is all we got now scream until your heart stops  
never gonna regret watching every sunset
