

Lostprophets, Shinoby Vs. Dragon Ninja

Got it all too high, got it figured out
Wanna do whatever, laugh until September
And I seem to think that you were once here with me
Maybe I was wrong, you were moving on
And I sit and wonder, falling under,
Get my way or nothing will move on,
Everyone has gone, yeah
You feel so empty, but I cant be your friend
And I like it, oh
And I know you say, I can get past someone
But are you that clever, that you smile forever
Is it summer yet? Cos I just don't feel it
Maybe its a dream dear, maybe you are not her
And I sit and wonder, falling under,
Get my way or nothing will move on,
Everyone has gone, yeah, yeah
You feel so empty, but I cant be your friend
And I like it, oh
Feel it now, got it, for them, and do I
