

Lou Bega, You Are My Sunshine

You are the reason
Why everything I feel feels so right
You are my sunshine
Everyday baby
Everyday
You are my sunshine
You chase all the clouds away

CHORUS :

You are my sunshine
You make the sunshine everyday
You are my sunshine
You chase all the clouds away
You are my sunshine
You make the sunshine everyday
You are my sunshine
You make the sun just shine for me

You are the reason
Why everything I feel feels so right
Everybody loves your smile
Oh baby I can feel you like the sunlight
Just like the sunlight
We had a long way to go my beauty and you
You were always by my side
You had no doubt that you and me could work it out
Everything can happen when two hearts collide

You are the reason
Why everything around me shines so bright
I wish everybody had someone
Someone like you by his side
By his side

You had no doubt that you and me could work it out
Everything can happen when two hearts collide
You are my sunshine
You are my sunshine
Everyday a week
All day

Yeah baby this is exactly how I feel about you
Day in, day out
'Cause you make my life complete
So complete
You're my sunshine
You make the sunshine everyday
You are my sunshine
Sunshine
