Lou Gramm, Ready Or Not

Here I come, ready or not Here I come, ready to go Here I come, ready or not Here I come, ready to go

Something that you said Goes round my head I know I'm gonna ride tonight You look at me But all I want to see is you tonight

Nothing can stop me now Nothing can stop me now Just a question of time I said nothing can stop me now Nothing can stop me now Now that I made up my mind

Here I come, ready or not Here I come, ready to go Here I come, ready or not Here I come, ready to go

Girl, you got the look
As if you wrote the book
But I don't understand
How one girl can be so sure
You got me in the palm of your hand

Nothing can stop me now Nothing can stop me now Just a question of time I said nothing can stop me now Nothing can stop me now Now that I made up my mind

Here I come, ready or not Here I come, ready to go Here I come, ready or not Here I come, ready to go Let's go

Are you ready?
(Here I come, ready or not)
Are you ready?
(Here I come, ready to go)
Ready
(Here I come, ready or not)
Said get ready
(Here I come, ready to go)

(Here I come, ready or not)
Here I come, ready or not
(Here I come, ready to go)
Here I come, ready ready
(Here I come, ready or not)
Yeah, I'm ready
(Here I come, ready to go)
To go
