

# Lou Reed, Heavenly Arms

Heavenly arms reach out to hold me  
Heavenly arms entice you to dance  
In a world of ill will, the dancers are still  
Heavenly arms reach out to me

Heavenly arms, soft as a love song  
Heavenly arms bring a kiss to your ear  
In a world that seems mad, all the dancers seem sad  
Heavenly arms reach out to me

Sylvia, Sylvia, Sylvia, Sylvia,

Heavenly arms come to my rescue  
Only a woman can love a man  
In a world full of hate, love should never wait  
Heavenly arms reach out to me

Heavenly arms, strong as a sunset  
Heavenly arms, pure as the rain  
Lovers stand warned of the worlds impending storm  
Heavenly arms reach out to me

Sylvia, Sylvia, Sylvia, Sylvia
