

Lou Reed, I Believe

Valerie Solanis took the elevator
got off at the 4th floor
Valerie Solanis took the elevator
got off at the 4th floor
She pointed the gun at Andy saying
you cannot control me anymore

I believe there's got to be some retribution
I believe an eye for an eye is elemental
I believe that something's wrong if she's alive right now

Valerie Solanis took three steps
pointing at the floor
Valerie Solanis waved her gun
pointing at the floor
From inside her idiot madness spoke
and bang, Andy fell onto the floor

I believe life's serious enough for retribution
I believe being sick is no excuse and
I believe I would've pulled the switch on her myself

When they got him to the hospital
his pulse was gone they thought that he was dead
His guts were pouring from his wounds
onto the floor they thought that he was dead
Not until years later would
the hospital do to him what she could not, what she could not

"Where were you, you didn't come to see me"
Andy said, "I think I died, why didn't you come to see me"
Andy said, "it hurt so much, they took blood from my hand"

I believe there's got to be some retribution
I believe there's got to be some retribution
I believe we are all the poorer for it now

Visit me, visit me
Visit me, visit me
Visit me, why didn't you visit me
Visit me, why didn't you visit me
Visit me, visit me
Visit me, why didn't you visit me
