

# Lou Reed, I Love You, Suzanne

You broke my heart and you made me cry  
You said that I couldn't dance  
But now I'm back to let you know  
That I can really make romance

You do what you gotta do, you do everything you can  
You do what you wanna do, hey, but I love you, Suzanne

You do anything once, you try anything twice  
You so what you gotta do, hey, but I love you, Suzanne

I love you when you're good, I love you when you're bad  
You do what you gotta do, but I love you, Suzanne

You do what you wanna do, you do what you you can  
You do what you wanna do, babe, but I love you, Suzanne
