

Lou Reed, I Wanna Be Black

I wanna be black
Have natural rhythm
Shoot twenty feet of jism, too
and fuck up Jews
I wanna be black
I wanna be a Panther
Have a girlfriend named Samantha
And have a stable of foxy whores
Oh I wanna be black
I don't wanna be a fucked up, middle class,
college student anymore
I just want to have a stable of foxy little whores
Yeah, yeah I wanna be black

I wanna be black
I wanna be like Martin Luther King
and get myself shot in spring
And lead a whole generation too
And Fucked up the Jews

I wanna be black, I wanna be like Malcolm X
and cast a hex over President Kennedy's tomb
And have a big prick, too

I don't wanna be a fucked up, middle class,
college student anymore

I just want to have a stable of foxy little whores
Yeah, yeah I wanna be black
