

Lou Reed, Shooting Star

All the people had their share of the glory
looking out after you
It's just a story about winners and glory
and you know that it's true

Ah ha, oh yeah, you're just a shooting star
Ah ha, oh yeah, you're just a shooting star

Some men may glory from a different condition
of another car
And later persuasion would permit the arranging
of a ...
And to cause more confusion, and to make this illusion
would have gone too far
And it's my ambition, of a jacket ignition
in a Cadillac metal car

Ah ha, oh yeah, you're just a shooting star
Ah ha, oh yeah, you're just a shooting star
Ah ha, oh yeah, you're just a shooting star
Ah ha, oh yeah, you're just a shooting star

You're just a shooting star
