Dream A Little Dream Of Me

stars shining bright above you  
night breezes seem to whisper I love you  
birds singing in the sycamore tree  
dream a little dream of me

say nighty night and kiss me  
just hold me tight and tell me you miss me  
while I'm alone and blue as can be  
dream a little dream of me

stars fading but I linger on dear  
still craving your kiss  
now I'm longing to linger till dawn dear  
just saying this  
give me a little kiss

sweet dreams till sunbeams find you  
sweet dreams that leave all worries behind you  
but in your dreams whatever they be  
dream a little dream of me  
stars fading but I linger on dear  
still craving your kiss  
I'm longing to linger to dawn dear just saying this

but in your dreams whatever they be  
dream a little dream of me
