

Louis Tomlinson, Because Of You

Want to but I can't help it
I love the way you feel
just got me stuck between my fantasy and what is real

I needed when I want it
I want it when I don't
tell myself I stop every day
knowing that I won't

I got a problem and I don't know what to do about it
Even If I did I don't know If I would quite but I doubt it ...
I'm taking by the thought of it

[chorus]
And I know this much is true
baby you have become my addiction
I'm so strung out on you
I can barely move
but I like it
and it's all because of you
(all because of you)
and it's all because of you
(all because of you)
and it's all because of you
(all because of you)
and it's all because of you
never get enough
she's the sweetest drug

think of it every second
I can get nothing done
only concern is the next time I'm gone get me some
know I should stay away from
cause its no good for me

I try and try but my obsession wont let me leave
I got a problem and I don't know what to do about it
even If I did I don't know If I would quit but I doubt it I'm
taking by the thought of it

[chorus]
And I know this much is true
baby you have become my addiction
I am so strung out on you
I can barely move
but I like it
and it's all because of you
(all because of you)
and it's all because of you
(all because of you)
and it's all because of you
(all because of you)
and it's all because of you
never get enough
she is so sweetest drug

never get enough
she is so sweetest drug
she is so sweetest drug
