

Louise, Beautiful Inside

Doesn't matter about the clothes
that your dressed in
It doesn't matter 'bout the
colour of your skin
All that matters is you're
beautiful inside

Uhah yeah

Just because you've got
the looks and the body
Just because you've got
the time and the money
Still remember to be
beautiful inside

Looking from the inside out
Tell me what you find
Nothing means a thing
if your not, beautiful inside

Try givin' up, The make up
Try givin' up, The dressin' up
Try givin' up, The pushouts
And try livin' up
To higher aspirations

You don't have to be
a victim of your ego
No you don't have to be self centred or deceitful
You'll make it happen
if your, beautiful inside

Looking from the inside out
Tell me what you find
Nothing means a thing
if your not, beautiful inside

Try givin' up, The make up
Try givin' up, The dressin' up
Try givin' up, The pushouts
And try livin' up
To higher aspirations

Try living with a heart to give
instead of always taking
Respect each others right to be
because we should all be making
Little time in all our lives is full of inspiration
Keep reaching for
Higher Aspirations

Try givin' up, The make up
Try givin' up, The dressin' up
Try givin' up, The pushouts
And try livin' up
To higher aspirations

Try givin' up, The make up
Try givin' up, The dressin' up
Try givin' up, The pushouts
And try livin' up
To higher aspirations
