

Louise, Do Me Right

(by climie and dozier)

Show me you want me
Uuuuh

If you ain't gonna do me right
Ohhhh
Don't do me at all

You've got all the moves baby
And all the great words
You say could drive me wild
Ummmm

I'm hesitatin' baby
I'm just awaitin' baby
To see what's behind your smile
Maybe you mean what you're sayin'
I gotta know that you're stayin'
Are you the love I been savin' myself for
Promise you won't go changin' off on me
After you get me to fall

If you ain't gonna do me right
(and if you ain't gonna do me right)
Don't do me at all
(don't do me at all)

Gonna do me right
(throw away my number)
Don't do me at all
I got to know that your love is for real

You're goin' too fast baby
This ain't gonna last baby
If you move too soon
Gotta savour every word and every touch
There are some things in life
You can never get too much
(never get enough)

I'm not a little girl anymore
I know what I'm waitin' for
I got too much to lose
So before you go changin' off on me
Before you get me to fall

If you ain't gonna do me right
(and if you ain't gonna do me right)
Don't do me at all
Uh uh, don't waste my time
Don't waste my time

Gonna do me right

(throw away my number)
Don't do me at all
I got to know that your love is for real

Before I take a chance I've got to be sure
I ain't gonna get hurt no more
So before I give my love to you
I've gotta know your feelings are true

Every rough has got to be real
I need more than you take me to feel
Do me
Do me right
Do me
Do me right
Do me
(show me you want me)
Do me right
Do me
Do me right

If you ain't gonna do me right
(and if you ain't gonna do me right)
Don't do me at all
Uh uh, don't waste my time
Don't waste my time

Gonna do me right
(ohhhhhhh oh oh)
Don't do me at all
I got to know that your love is for real

If you ain't gonna do me right
(and if you ain't gonna do me right)
Don't do me at all
Don't do me
Don't do me at all

Gonna do me right
(ah ha)
(gonna do me right)
Don't do me at all
I got to know that your love is for real

If you ain't gonna do me right
(and if you ain't gonna do me right)
I want you
I need you
I love you
Don't do me at all
I want you
I need you
I love you
