

Louise, Intimate

(By Climie, Noel and George)

Mmmmm...
Yeah C'mon

Don't stop what you're doing
Don't stop,
Please.

Don't stop what you're doing,
Don't stop,
Please!

Don't stop what you're doing
Don't stop,
Please.

Don't stop what you're doing,
Don't stop,

If you can read my mind
If you could look inside
I guess you know what I'm feeling.

The moment you decide
Let go of fear
You're fine
Love him a deeper meaning!

I'm tired of all these things
Your Pride Just turns to shame
No more secrets between us

No, no!

I'm here in front of you
I feel the same way too!
Let's turn and make this love deepen>

If you wanna be intimate with me
Gotta let me see a part of you
No one else knows!

I wanna be intimate with you
Feel you reach into
The part of me no one else,
No one else!
Knows like you do!

Heaven and death we meet
Baby when I'm with you
No one else can touch us
And no more emptiness
I feel like I've been blessed!

Boy I believe in you

Boy I Believe in You

Your love can see me through!

Your love can see me through!

You!

You've got the power I need!

You've got the power I need!

Show you believe in me
Like I believe in you
Baby, I'm down on my knees!

You wanna be intimate with me
Gotta let me see a part of you
No one else knows!

'Cos you gotta be intimate with you
Feel you reach into
The part of me,
'Cos no one else loves me like you do

Don't Stop
What you're doing
Don't stop
Please!
Don't Stop
What You're Doing
Don't Stop
Don't Stop!

Don't Stop
What you're doing
Don't stop
Please!
Don't Stop
What You're Doing
Don't Stop
You're got the power I need!

You wanna be intimate with me
Gotta let me see a part of you
No one else knows!

Intimate with You
Feel you reach into
The Part of me no one else,

If you wanna be
Intimate with me
Gotta let me see a part of you
No one else knows!

'Cos You've gotta be intimate with you
Feel you reach into
The part of me no one else
Knows like you do!

No one else can know like you do
No one else can know like you do

You've gotta

No one else can know like you do

You've gotta

No one else can know like you do

You've gotta

You've gotta

The power I need!
If you wanna be intimate with me
Gotta let me see a part of you
No one else knows!

[Repeat to Fade]
