

Love, My Flash On You

Verse 1:

I don't want to be in your company

I don't need you to take care of me

Let me alone, let me alone, let me alone, can't you let me be

All I want in this world is to say I'm a man that's free

Verse 2:

People talk about the way I look

I say come on and say it, I got enough to write a book

But don't they know, don't they know, don't they know it's a waste of breath 'Cause I don't wanna be

(Lemme hear you play it one time now)

Verse 3:

Don't try to force your smuggled drugs my way

'Cause baby, I cleansed my soul and I say that's the way it's gonna stay

But you can put me down, all around, on the ground, anyway you choose

Get your kicks with your fix, but this time I know it's you who lose
