

Love, Orange Skies

Verse 1:

Orange skies
Carnivals and cotton candy and you
and I love you too you know I do

Verse 2:

Nightingale
Prettier than anything in the world
And I love you too
You know I do

Bridge:

You make me happy
Laughing, glad, and full of glee
And you don't have to try, girl
For you it comes so naturally
Right here in my arms

[repeat verse 1]

[repeat bridge]
