

Lovebugs, The Letting Go (Feat. Sarah Bettens)

I can read it from your lips
And near it near between the lights
There's no need to say it's over
I can taste it in your kiss
You and every time we touch
We can't deny it any longer
It's understood in the morning when you're leaving
It's understood when you come running back to me

It seems to letting go
It seems to letting go alone
Sometimes takes a little longer
Seems to letting go, it seems to letting go my love
I wish we were a little stronger

I can tell it from your smile
And you hold your head in the
I cannot hide it any longer
It's understood when you turn the lay in anger
It's understood and it come calling back to e

It seems to letting go
It seems to letting go alone
Sometimes takes a little longer
Seems to letting go, it seems to letting go my love
I wish we were a little stronger
Mhm, mhm

It seems to letting go
It seems to letting go alone
