

# Lovedrug, Pushing The Shine

You see! i have legs that need to grow  
I gave up everything  
What love?!  
Here's the end of the wire  
A laughing party dies  
Hello, hello  
I am the sun  
Now tell me: it burns! it burns!  
Now i am pushing the shine on everyone  
Cause it's my turn  
You say i'm a bullet on my way  
To meet the china world  
Hey world  
Get me love or get me out  
My laughing angel shouts  
Hello, hello  
I am the sun  
Now tell me: it burns! it burns!  
Now i am pushing the shine on everyone  
Cause it's my turn  
Hello, hello  
You are the sun  
I tell you: it burns! it burns!  
Now you are pushing the shine on everyone  
Cause it's your turn
